## SPONSORSHIPS: MAKE A MIRACLE HAPPEN!

The Miracle League of Palm Beach County makes memories by providing a life-changing experience for children and adults with physical/mental challenges through a community supported baseball league. Your financial support ensures that the MLPBC, will continue to positively make an impact on so many throughout the county. Our players benefit from playing baseball, as a teammate, in an organized league; but our volunteers benefit as well – especially by teaching the value of helping others and giving back to our community through volunteerism.
