Dear Friends,

For over 15 years, The Miracle League of Palm Beach County has been working to enrich and expand lives by providing the opportunity for all children, regardless of their ability, to play baseball. By creating a safe and inclusive place for individuals with physical and mental disabilities to participate in a team sport, The Miracle League of Palm Beach County helps to inspire hearts and develop crucial life skills. While baseball is the primary vehicle used to encourage kindness, compassion, and generosity in the community, our league allows participants to mutually teach, guide, and motivate each other in a multitude of ways.

This past year has been difficult for all of us, but when COVID-19 forced us to cancel our seasons, the Miracle League players were devastated. Their special Saturdays – the ones where they get to hit home runs and run the bases in front of a cheering crowd – were taken from them, and it was nearly impossible to try and explain what was happening. The dream of future games seemed farther and farther away. But we are not in the business of letting dreams die. In fact, we are determined to keep the dream alive and continue The Miracle League mission intact: Every child deserves to play baseball.

This year's **Dinner on the Diamond** fundraiser, "**Keeping the Dream ALIVE**," promises to be a memorable event! Our honorary chairs, JOSE & VANESSA HERRERA, will lead us in an evening of music, food, and friendship at our "Field of Dreams" located at Miller Park, Delray Beach on November 20, 2021 at 6:00 pm. You most definitely won't want to miss hearing our guest speaker, Chris Nikic, the first person with Down syndrome to complete an Ironman triathlon.

As with most events, sponsorship and underwriting are critical to our success. Enclosed please find our donation and advertising opportunities for individuals and businesses. Our past fundraising and annual **Dinner on the Diamond** events have allowed us to keep Miracle League fee-free for all players while also upgrading our facilities to create a safe and inclusive environment for everyone. The "**Dream**" is not just about bringing back the players and maintaining the facilities but also keeping the League sustainable for years to come.

We pray you can join us as we celebrate 15 years of smiles, 15 years of friendships, and 15 years of allowing children with special needs to **Dream Big!**

Thank you in advance for your consideration. If you have any questions or need more information, please feel free to contact me at [coachkadel@gmail.com](mailto:coachkadel@gmail.com) or (561) 414-4441.

See you on the Diamond!
